One that not only looks good, but you can bet she will offer as much genetic value as any. At the 2010 American Royal, the Carlson family exhibited the Grand Bull who had K&A Carly on both sides of his pedigree. Carly is the breed leader in Weaning and Yearling weights.

Mercedes 701P is also the dam of BPF Miley 80T. Miley was a top show heifer and her first calf is her A.I. Sire I-80, now promoted by Lautner Farms.
