Dam was a successful show heifer for us, was an all American Honoree and has been a consistent producer. Maternal sister was a high seller in 2007 Early Bird Sale to Nikki Durban for \$4,900. Her sire, Outback 8166 was the syndicated high selling bull from Sullivan at \$75,000 who is now deceased with VERY limited progeny. These genetics should prove to be very valuable for the new owner.

* Class Champion Hoosier Beef Congress Sold in last year's sale! FULL SIB TO LOT 8!

Number Nineteen.....

How about that? We had to do some thinking as to just when Ron and Christy started the "Early Bird". It started out as the one of, if not the **VERY FIRST** Labor Day private treaty sales in the **COUNTRY!** Almost two decades later it appears the idea of bucking the trend of a traditional October show calf sale and opting for selling in early September was pretty good, considering there are over a hundred September calf sales in 2011!

With that said we know you have lots of places to find that special calf project. You taking the time to view our offering is very humbling to us and when you view the cattle in person sale week we know you won't be disappointed. Calves are in good health, gentle, and by sale time most would be considered "Show" broke.

Please feel free to contact Ron or Christy or any of the consignors, also again this year I, Kevin Mears of Stock Options Marketing will be consulting and will be available to visit about the cattle. If I can assist you in any way, please feel free to contact me.

Early Bird Sale

Eaton, OH

General Information:

Telephone Bids:

Telephone Bids will be handled in the most confidential manner. If you are unable to attend the sale personally, simply contact a representative of the sale far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

Terms and Conditions:

Terms of the sale are cash. Settlement is to be made with the clerk immediately following the sale and before cattle are removed from premises. If need be, other arrangements can be discussed with RC Show Cattle prior to sale.

Liability:

Each animal will be at the buyer's risk as soon as sold, but will be cared for by the sellers for a reasonable amount of time. Every effort will be made to provided for the safety and comfort of those attending; however, neither owners, employees, auctioneer, sale manager, nor other affiliated personnel are responsible for accidents.

Health:

All calves have been vaccinated with: IBR, BVD, PI3, BRSV, 7-way Black Leg, Pinkeye, Ivomeced and all heifers calthood vaccinated.

Genetic Defect Disclaimer: Unless an animal is listed on the American Shorthorn Association's "genetic defects status list," the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic defect.

Breeding Guarantee:

The Standard breeding guarantee as endorsed by the American Shorthorn and the American Angus Association's will be followed.

Announcements:

Made from the auction block take precedence over all printed material.

NEW THIS YEAR • Genetic Rights. Embryo / Flush

Members of this sale offer their very best and to insure genetic progress the breeders represented retain embryo interest / flush rights on all females offered. This is for the life of the animal and transfers with/ at ownership. It is at our expense and your convenience. Terms of this may vary on each individual offered. If you have any questions please ask before purchasing.

Damn Proud was thought to be the best Shorthorn bull in the yards at Denver in 2011, or some say, of any color. This one is **FUNCTIONAL, STOUT RIBBED,** and **MASSIVE HIPPED,** while not giving up that incredible look from the side. Simply, you can put trust into Damn Proud to generate those heifers with a maternal look while being correct in their build, or show steers with body mass and muscle. Damn Proud will make them backdrop quality while giving you a shot to hang some **BANNERS.**
